Peter Thomas was on fellowship duty and apparently forgot to greet Barry, the ex-Rotary Griqua editor.

Corporal Corlia opened the meeting with grace, the Four Way Test and a toast to South Africa.

President Janine discussed the planned DG visit on 7 & 8 September to Colesburg, Bloemfontein and Kimberley but is, however, still waiting for more information. Although Barry had jotted it down incorrectly, a boardmeeting is scheduled for next week Monday, 15 July.

Janine read an email about Club Officer's Training, on 3 August, in Bloemfontein. Corlia will be attending and Ken suggested that more people should attend these types of functions. Ken also indicated that he would try to arrange a bus from Phillip.

We were treated to a quick update on the proposed trail run on 24 August by Sharon. Andries and André will provide more details in the not-so-distant future. Andries will scout for potential trails at La Rei, as well as mark them out. We are targeting 80 runners and food and beverages will be sold. President Janine is requested to assist in procuring a liquor license. There will be accommodation available in the form of a tented camp and lodge.

Ken provides various potential solutions to the Kimberley Club situation. It is suggested that we use the Reading Room for meetings, where a buffet style meal will be present. We could also consider the Horseshoe which provides a two meat buffet, although this will have an additional cost component. It is decided that we wait to see what the Billiard Room has in store.

Sergeant Barry reminded us of forthcoming Dates & Duties.

Attendance Officer Ken reported a number of apologies, and put today's attendance at 16/22 for 72.7%.

Corlia closed off the meeting with a joke and tailpiece in Afrikaans, which, for Barry's sake (mainly) we have paraphrased and translated:

A group of 5 and 6 year olds were asked which of the 10 Commandments would be applicable to brothers and sisters. A little boy raises his hand and says: "You shalt not murder!"

"People do not appreciate sunsets because they get it for free"

Last meeting's attendance—73%
