## Meeting Report: 11 May 2015 (by Colleen Fairweather)

President André welcomed all Rotarians and Paula van Rensburg, guest of Lawrie, to the meeting. Corporal Barry reminded everyone of the Four Way Test and said grace before leading a toast to South Africa and the USA.

Announcements made by President André included Melony's induction which will take place once she is available again. The trail run is being considered and President André will meet with Andries to discuss some of the aspects. He also thanked and congratulated everyone involved with the Interact Conference for making it a success.

Attendance Officer Ken tallied the figures as 84.2% attendance.

Peter Thomas announced that we will be hosting another exchange student from the USA with funding made available by

the district. The van Zyl's offered to be the first hosts. Peter T also asked whether any female Rotarian would be willing to act as a councillor for the incoming exchange student.

Pete van Zyl reported that initial feedback from the Interactors regarding the past conference is very positive.

Sergeant Gill requested someone to take over as Sergeant from the new Rotary year.

After Sergeant Gill went through the duties and special days for the coming week, she had to take over from Corporal Barry who could not contain his laughter while entertaining everyone with a letter from camp.

Needless to say, everyone had a good laugh.

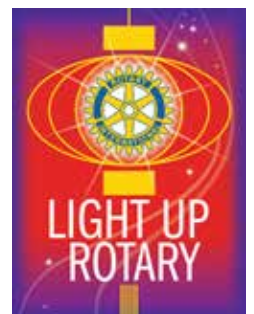

With Barry still in stitches, he did not get around to his tailpiece... [ed: thanks to Peter T for the following quote]
