INTERACT

Do you want to empower young people in your community to take action, become leaders, and gain a global perspective? The answer is an Interact club! Whether they're carrying out a service project, organizing a Twitter chat, or planning a meeting, Interact club members develop skills that can last a lifetime.

Interact is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting.

Club membership varies greatly. Clubs can be single gender or mixed, large or small. They can draw from the student body of a single school or from two or more schools in the same community.

Each year, Interact clubs complete at least two community service projects, one of which furthers international understanding and goodwill. Through these efforts, Interactors develop a network of friendships with local and overseas clubs and learn the importance of

- Developing leadership skills and personal integrity
- Demonstrating helpfulness and respect for others
- Understanding the value of individual responsibility and hard work
- Advancing international understanding and goodwill

As one of the most significant and fastest-growing programs of Rotary service, with more than 33,000 clubs in more than 200 countries and geographical areas, Interact has become a worldwide phenomenon. Almost 340,000 young people are involved in Interact.
