RI Pres John Germ at a Glance

Religion: I go to church every time I'm at home. I read the Bible every day and believe in God. My family is religious. And the Bible says "to him much is given, much is expected." So regardless of which god you believe in, you have that philosophy of service.

Importance of Service: I want to see people have a better life. I've seen all kinds of poverty in the US and overseas ... poverty, lack of education, food and shelter. Those are common denominators and we need to be able to improve other people's lives.

Music: I like Elvis Presley-like music, the more easy, soothing type of music. I am not into rock and roll or heavy metal.

Reading: I like to read mysteries and thrillers by, say John Grisham, one of my favourite writers. He writes such good books and he has such good stories to tell.

Food: I eat steaks on occasion, and lot of fish. I do not eat heavy, spicy food, so when I go to Thailand, or India or similar places, I have to be careful.

Cooking: I cook usually two meals a year, and occasionally a breakfast. I cook Thanksgiving dinner, and at Christmas time I usually make the breakfast/brunch for the family.

Relax: I could turn on the music or TV and not even watch it, and be doing something else, and feel relaxed!

Movies: Very rarely do I ever go to a movie. No Hollywood favourites ... none.

Fitness: I used to walk a lot, gym a lot. And then I got to be an RI Director and TRF Trustee and you have to travel so much, it becomes an excuse, not reason, not to work out! I convince myself that it's too difficult to take tennis shoes and gym shorts ... so now I just walk on the streets.

Hobbies: My hobby is Rotary.

Exchange Student Ahna Chapman is leaving us this week. Thanks for the great year in Kimberley, Ahna! We wish you everything of the best for the future and stay in touch!

Ahna departs from Kimberley Airport on Wednesday 15 June at 16h05. All Rotarians are asked to be at the airport to see her off.
