## TWO OFFICIAL ROTARY APPS

Did you know that there are two apps for your smartphone to enhance your Rotary experience?

If you want to visit another club whilst on your travels get the **Rotary Club Locator** App which shows all the clubs in an area for the whole week so if you search for Honolulu, for example, there are 14 clubs listed Monday to Friday so take your pick.

There is also a **Rotary Event** App in case you ever attend a Rotary conference. The app will plan your daily schedule, learn about featured speakers and entertainment, download session handouts, and connect with friends. The app also lets you navigate the convention venue and House of Friendship using interactive maps, upload your photos to the Rotary's convention photo album, rate sessions and send feedback to convention organizers – useful what!!! Both apps available at the usual App Stores.
