## Meeting Report: 14 September 2015

President André welcomed fellow Rotarians and guests before handing over to Corporal Gill. Cpl Gill said grace, led a group reciting of the Four-way Test.

Stand-in Sergeant, Corporal for the day, Gill and shared a humourous, yet insightful, poem handed to her by a doctor after a mammogram. She continued with a story of a wife who asked her husband if he would re-marry if she passed away. After some prodding and prying the husband lets slip that if he were to re-marry the new wife would not be able to play golf with the current wife's clubs... because she IS left-handed. She then allowed for the following spots:

Peter T explained the Rugby World Cup fund raiser for Club funds, which will be run in two legs. He encouraged everyone to invite friends and colleagues to partake, with the clear indication that it is for club funds.

Barry reminded everyone of the "Back to the 60's" party with the live band, Razzle Dazzle. A list was circulated for Rotarians to indicate whether they would attend.

Sgt Gill went through the duties and celebrations for the coming week. She also reminded everyone of the Rotating Dinner and requested that the host invite Ahna. Bettina has prepared a "draw" for the guests to ensure that everyone has the opportunity to attend.

Attendance Officer Ken tallied the figures as 16 out of 21 (or 76.2%).

Corporal Gill shared two tailpieces:

*"If you think you are too small to make a difference, try sleeping in a room with a mosquito."*

*"Where ever there is a human being, there is an opportunity for kindness."*
