WHAT'S THIS "R.L.I." ALL ABOUT?

Rotary Clubs have been hearing a lot about the R.L.I. Training program recently. But what is this all about?

The Rotary Leadership Institute (RLI) is a multi-district, grass-roots leadership development program of member districts organized into regional divisions in various parts of the world.

RLI is not an official program of Rotary International and is not under its control.

RLI seeks to have Rotary Clubs in its member districts identify those Rotarians who appear to have the potential for future club leadership (not necessarily as club presidents) and provide those so identified with a quality education in Rotary knowledge & leadership skills so important in voluntary organizations.

WHY DO WE NEED A LEADERSHIP INSTITUTE?

It is generally agreed that the success or failure of a Rotary Club primarily depends on the quality of club leadership. It has also been said that poor club leadership is the primary cause of membership losses. Rotary needs knowledgeable Rotarians who are aware of the leadership skills necessary to move a club forward. It is difficult at the club level to learn enough about the exciting world of Rotary with its more than 1.2 million members in more than 200 countries and geographical areas. Furthermore, leadership skills in voluntary organizations are often different from business leadership skills. R.L.I. provides an excellent opportunity for quality Rotary general education that is usually otherwise not available.

**THE RLI TRAINING FOR OUR AREA
TAKES PLACE IN BLOEMFONTEIN
ON 28 AND 29 OCTOBER 2016.**

Where do I find out more about R.L.I.?
