## TEN WAYS TO DESTROY A CLUB

1. Stay away from meetings.
2. If you do go to meetings, find fault with everything.
3. If you do go to a meeting, do not speak until the meeting is over and then explain how things should have been done.
4. Decline appointments to committees or positions of office.
5. Get angry if you are nominated or appointed to a position of office or a committee.
6. Do not do any club work if you can avoid it, and when the reliable members jump in to get the work done, accuse them of being a clique.
7. Oppose all new programmes as being waste of members' time and money.
8. When nothing new happens, complain that the leaders of the club lack imagination.
9. When something new happens, complain that the leaders of the club are destroying the club's traditions
10. Read your club bulletin infrequently, and then complain that you do not know what is going on in the club.
