AUGUST DID YOU KNOW?

The month of August was named after Roman emperor Augustus Caesar. In Latin, Augustus meant auspicious or venerable.

Before 8BC the Romans called it "Sextilis", as it was the sixth month in their calendar.

The Anglo-Saxons called August "weod-monath" (weed month).

In the USA August is the month that has the highest birth rate.

Traditionally the season for eating crayfish in Sweden begins on the second Thursday in August.

In the USA, August is National Hair Loss Awareness Month.

In 2009 the Icelandic Naming Committee declared August unacceptable as a child's name. Augustus is also not allowed.

Henry VI Part I and The Tempest are the only Shakespeare plays that mention the month of August.

1st August is celebrated as World Scout Scarf Day.

UPCOMING GUEST SPEAKER

Our Guest Speaker on 4th September will be Beryl Wilson, who will address the club on the subject of vultures, in keeping with the fact that 2nd September is International Vulture Awareness Day. She is extremely passionate and knowledgeable about the subject and this promises to be a very interesting address.

Rotarians are encouraged to invite guests to this Rotary Lunch.

HAPPY BIRTHDAY

Jamaican Olympic Sprinter, Usain Bolt, celebrates his 31st birthday today.

Usain is the first man in Olympic history to win both the 100 meter and 200 meter races in world record times. He is also the first man to set three world records in a single Olympic Games.

His sprinting achievements have earned him the nickname "Lightning Bolt".
