OCTOBER - Vocational Service Month

October is Vocational Service Month in the Rotary calendar and focuses on:

- Adhering to and promoting the highest ethical standards in all occupations
- Recognizing the value of all useful occupations, not just those that are pursued by Rotarians
- Contributing one's vocational talents to meeting the needs of the community

Vocational Service should form an integral part of a Rotary Club's program. Here are a couple of activities for clubs to consider:

- ▶ Devote a meeting to examining Vocational Service, including The Four-Way Test and the Rotary Code of Conduct.
- ▶ Introduce a "classification talk" series in which each member gives a five-minute talk on his or her vocation. These presentations give members the chance to learn the inner workings of jobs other than their own.
- ▶ Present a vocational award to someone in the community who has exemplified outstanding professional achievement and high ethical standards. Promote the presentation in the community, and consider making it an annual event each October.

- ▶ Help young people prepare for their careers by sponsoring a character building project, career day, job shadowing day or mentorship program.
- ▶ Support professional development in the community by sponsoring a professional networking event or workshop, or start a career counseling program to help unemployed adults compete in the job market.
- ▶ Have club members volunteer their vocational skills on a community service project.

HAPPY BIRTHDAY

American comedian, Groucho Marx [Julius Henry Marx], would have celebrated his 127th birthday today.

Third-born of the Marx brothers, Groucho was a master of quick wit. His rapid-fire, often impromptu delivery of innuendo-laden patter earned him many admirers and imitators.

He was born in New York city on 2 October 1890 and he died of pneumonia on 19 August 1977.
