## HOSTING A ROTARY DAY

In an effort to increase membership and highlight Rotary's inspiring work, RI President Barry Rassin is urging clubs and districts to organize fun, informal community events called Rotary Days.

"Rotary Days events will offer you the chance to have an impact in your community, build long-term partnerships, increase interest in membership, and improve Rotary's image," Rassin said.

Any club, big or small, can host a Rotary Day. Neighboring clubs can pool their resources and co-host an event, and entire districts can come together for a large-scale Rotary Day.

Rotary Days underscore our warm and cohesive community, show others our inspirational work, introduce Rotary to the larger community, and motivate action. They can take any form, as long as they are fun and engaging, involve young people, and are open to all. Clubs are encouraged to add innovative components to their public events.

*This year, I urge you to Be the Inspiration by hosting Rotary Days. These local, community-oriented events highlight the transformational activities that our Rotary, Rotaract, and Interact clubs undertake every day. You can hold a Rotary Day anytime. It will offer you the chance to have an impact in your community, build long-term partnerships, increase interest in membership, and improve Rotary's image. Imagine the collective impact we can have if all 35,000 Rotary, 10,000 Rotaract, and 22,000 Interact clubs engage their neighbors, friends, young people, and organizations. Will you do your part by encouraging clubs and communities to unite, inspiring transformational action, and creating lasting change?*

*Be bold, be innovative, and show the magic of Rotary.*

— Barry Rassin, President, R.I.

Next week we look at some tips for running a Rotary Day
