## HOSTING A ROTARY DAY

### PART 2: This Week We Look at Tips for Rotary Day Planners

- Consider including a hands-on service project as part of the event to let visitors see for themselves how Rotary benefits the community.
- Feature guests that appeal to a non-Rotary audience. Consider young leaders, inspirational speakers, celebrities or other public figures.
- If the event will offer food, keep it simple — for example, a self-service buffet rather than a formal, sit-down meal.
- Advocate on local issues related to Rotary's areas of focus by calling attention to challenges that affect people in your area.
- If you charge admission, keep prices low. Ask local businesses to sponsor your event.
- Welcome families and make the event enjoyable for them.
- Present Rotary as an appealing opportunity for potential members to make new friends, exchange ideas, and take action to improve their community and the world. Avoid using Rotary jargon.
- Highlight the work of local Rotarians, Rotaractors, Interactors, Rotary Community Corps members, and other community members who do extraordinary humanitarian work.
- Recognize non-Rotary community members who demonstrate Rotary's service ideals.
- Sponsor an event with a partner organization to show that, by working together, we make a deeper and more lasting impact on communities.
- Ask local news media to cover the event.
- Collect participants' contact information, and invite them to future club events.
- Partner with local civic groups, service organizations or local businesses.
- During and after your event, post photos and videos with the hashtag #RotaryDay to social media. Photos of Rotary Day events around the world will be collected and shown at the 2019 Rotary International Convention in Hamburg, Germany.
