## Kbly Rotary Education Trust supporting the local youth in Youth Service Month

The Kimberley Rotary Education Trust is a separate independent entity that offers financial support to local students – from scholars to university students – irrespective of race or religion. One of its principles is that all funds are paid directly to the educational institution – not to the individual student.

*We received the following letter from a young lady that we supported through high school and her university studies – Ed:*

Dear Rotary,

I received an email regarding confirmation of my degree. I will unfortunately not have a graduation ceremony, due to Covid 19. They will courier my certificate to me.

Thank you for the incredible opportunity. It would not have been possible without the assistance of the Kimberley Rotary Club.

The bursary scheme is an amazing initiative and I am very privileged to have been selected as a candidate. I am very grateful for this amazing opportunity. Working and studying was a big challenge, but I am glad to have had the opportunity and it has taught me so much. I am also very excited for what the future holds once the pandemic has passed.

Keep well and thank you once again.

Regards, Thyla Hubbart

The Education Trust has also paid the books for a Kimberley girl who is a second-year student at Stellenbosch University.

You will remember that we Anika Loftus spoke to our club on 9 March regarding the work at Bophelo Child and Youth Care Centre. That has resulted in the Education trust paying for the schooling for three learners for the rest of the year.

The trust has also approved the payment for the schooling for the rest of the year for an indigent learner at Laerskool Diamantveld. This was as a result of a request from the Kimberley Boys High School Interact Club.
