JOIN THE VIRTUAL WEST AFRICA PROJECT FAIR

Getting involved in international service can often be a challenge, especially during a pandemic when international travel is limited. Project Fairs are a great opportunity to immerse yourself in a new culture and make new friends while meeting project sponsors and finding international projects for your clubs and district to support. Given the challenges of hosting in-person events, many project fairs will be hosting virtual events this year.

The West Africa Projects Fair (WAPF) is an annual event that offers Rotary clubs in Western Africa the opportunity to share their projects with Rotary members from across the world. International visitors meet project host clubs, learn about their communities' priorities, and explore partnership opportunities. This year, you can join the West

Africa Project Fair (virtually) from 9th to 13th November.

During the virtual event, West African clubs will showcase small, medium and large-scale projects from every area of focus, looking for support from international partners. The event will be hosted by Rotary members in Nigeria with project exhibitors from Ghana, Liberia, Benin Republic, Guinea, Burkina Faso, Gambia, Sierra Leone, Ivory Coast, Mali, Mauritania, Niger, Togo, and Senegal.

You are invited to join the event online to learn about the local communities and build partnerships for international service. Learn more about the Virtual West Africa Project Fair and register for the event using the link below.
